Dear Dr. Tietjen:

We are interested in having [redacted] serve as a member of the Contractor Selection Committee for the Employee Health Service, National Institutes of Health. [redacted] is professionally highly qualified to assist us, and would be performing much the same services as he recently rendered to NASA in the selection of its Contractor for NASA Headquarters facilities, Washington, D. C. The Committee's work will consist primarily of a review of various contractor's proposals, which can be done away from NIH. Two or three half day meetings of the full Committee, which will be held at NIH, will also be necessary.

We have already consulted [redacted] and are pleased that he is willing to lend us a hand. We would greatly appreciate your obtaining the necessary Agency permission to enable him to serve on the Committee. Thank you for your assistance.

Sincerely

John M. Lynch, M.D.
Medical Director
